We would like to thank our SMART Team and the contractors who have remained hard at work on our school campuses throughout the Covid-19 pandemic. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team remains a priority. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this time.
