### SPOTLIGHT ON SCEP

#### MARGATE MIDDLE SCHOOL

Margate Middle School has completed all School Choice Enhancement Program initiatives with all items delivered and installed. Among the various upgrades purchased with the school's \$100,000 budget are headphones, laptops, an EarthWalk cart, classroom desks, gym scoreboards, a digital marquee, front office furniture, cone carts, folding chairs, new carpet, traffic cones, pedestal desks and chair dollies. Enhancements such as the new laptops and headphones could not have arrived at a better time, helping to make the continued reality of distance learning as seamless as possible.

The School District thanks the SMART Team and our contractors who have remained hard at work on our school campuses during COVID-19. As we remain committed to providing students and staff with enhanced learning environments, health and safety remain essential. Guidelines provided by the Centers for Disease Control and Prevention and other health professionals are in place as we work towards a SMART Future under the safest possible conditions. We appreciate the continued support of the community during this challenging time.
