SPOTLIGHT ON SCEP: COLLINS ELEMENTARY SCHOOL

The murals displayed throughout Collins Elementary School are a few of the school's standout features.

The art – located in the media center, cafeteria, resource room, and several other areas on campus – not only adds to the school's aesthetic, but helps foster imagination, creativity, and language development.

OTHER ITEMS PURCHASED INCLUDE:

Document cameras, printers, outdoor bulletin boards, two-way radios, laptops, a projector screen, a digital marquee and a Recordex

FEATURED PRIMARY RENOVATIONS

JAMES S. RICKARDS MIDDLE SCHOOL

Renovations are full steam ahead with multiple improvements currently in progress. Roofing, HVAC upgrades, fire sprinkler and fire alarm improvements, and media center renovations are all underway.

POMPANO BEACH MIDDLE SCHOOL

Contractors are keeping busy at Pompano Beach Middle School. The locker rooms have been gutted in preparation for renovations, ductwork is being replaced in multiple buildings, roofing repairs are being made, and all buildings are being repainted.

RAMBLEWOOD ELEMENTARY SCHOOL

At Ramblewood Elementary, the base and structure of the new HVAC chiller has been framed and concrete has been poured. In the media center, the new floors, paint, shelving and furniture were installed. Installation of air handling units and ductwork are underway.

SANDPIPER ELEMENTARY SCHOOL

Fire alarm conduits have been installed at Sandpiper Elementary School, with the system's wiring is currently underway.

Next up: HVAC improvements.

WALKER ELEMENTARY SCHOOL

While contractors wait for a fire alarm and roofing permit, they have been busy changing out air handling units and replacing ductwork on a few of the buildings.

In the midst of Covid-19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.

SMART by the Numbers | **Countywide**

In the midst of Covid 19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
