In the midst of Covid-19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
