DISTRICT 3

SMART PROGRAM AT A GLANCE

The SMART Bond Program focuses on improving schools and the educational experience of students and faculty at 232 SMART funded Broward County Public Schools, in the overarching categories of Safety, Music & Art, Athletics, Renovation, and Technology.

PRIMARY RENOVATIONS DISTRICT HIGHLIGHTS

- Northeast High School's renovations are set to begin with contractors now mobilized
- Construction is underway at New River Middle School
- Stranahan High School is active with plenty of construction including roofing, media center, STEM lab, fabrication lab and nursing lab improvements

SCHOOL CHOICE ENHANCEMENT PROGRAM

As part of the School Choice Enhancement Program (SCEP), schools are allocated \$100,000 to spend on custom improvements to their campuses and curriculums.

1 SCHOOL IN PLANNING/DESIGN

SPOTLIGHT ON SCEP: SUNRISE MIDDLE SCHOOL

Classroom projectors, such as the one Sunrise Middle School received, provide a level of teaching versatility that does not exist with traditional whiteboards. This technology allows teachers to use visual aids to further explain lessons and create an interactive learning experience for students.

OTHER ITEMS PURCHASED INCLUDE:

Two-way radios, a cafeteria sound system, outdoor benches, a digital marquee and a fabric awning at the cafeteria entrance

FEATURED PRIMARY RENOVATIONS

JAMES S. RICKARDS MIDDLE SCHOOL

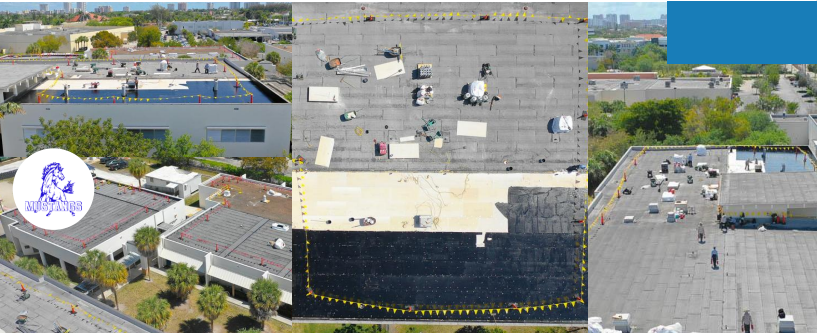

Renovations are full steam ahead with multiple improvements currently in progress. Roofing, HVAC upgrades, fire sprinkler and fire alarm improvements, and media center renovations are all underway.

MCNAB ELEMENTARY SCHOOL

Renovations have ramped up at McNab Elementary School with three buildings receiving roofing improvements and two HVAC chillers replaced.

RIVERLAND ELEMENTARY SCHOOL

HVAC and fire alarm improvements have taken precedence at Riverland Elementary School as contractors await a permit to begin roofing repairs.

SUNRISE MIDDLE SCHOOL

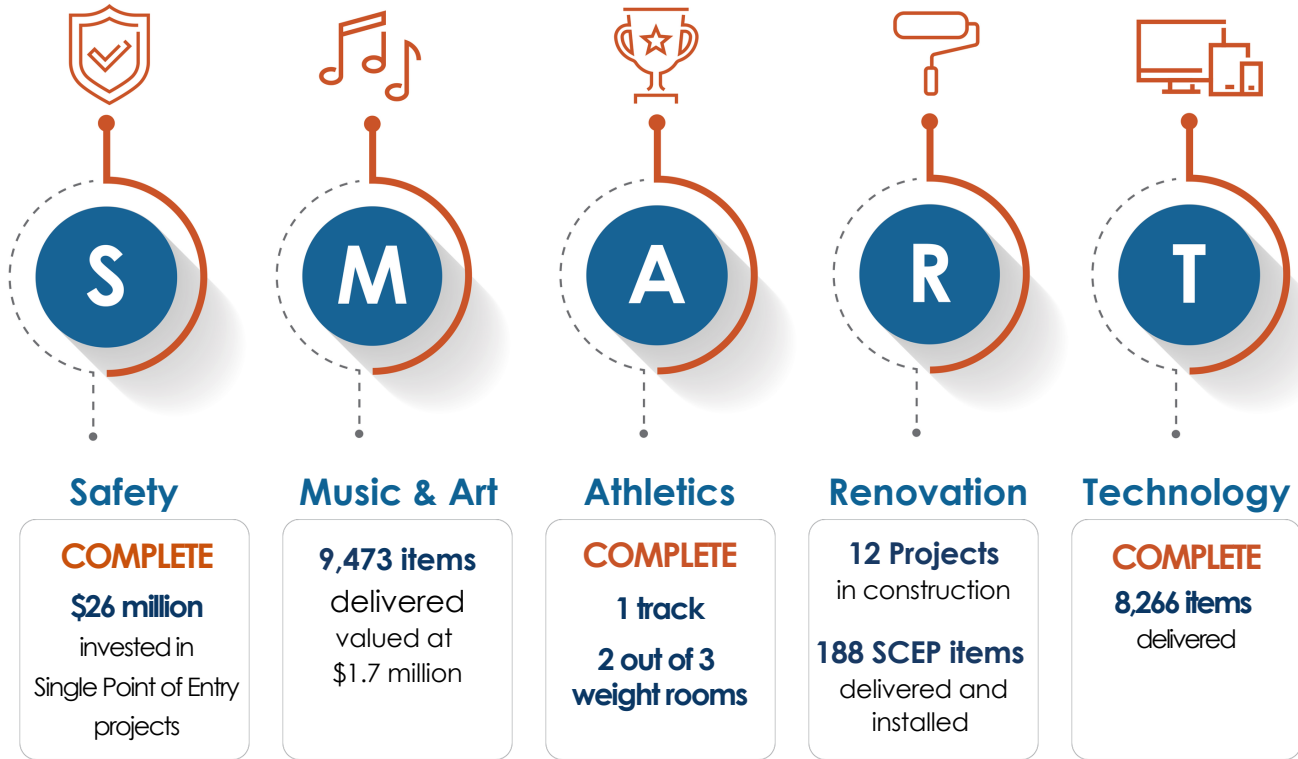

Since construction began in April, roofing repairs have begun on two buildings and a few faculty outdoor lighting fixtures have been replaced.

In the midst of Covid-19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
