## SMART PROGRAM AT A GLANCE

The SMART Bond Program focuses on improving schools and the educational experience of students and faculty at 232 SMART funded Broward County Public Schools, in the overarching categories of Safety, Music & Art, Athletics, Renovation, and Technology.

### PRIMARY RENOVATIONS DISTRICT HIGHLIGHTS

- Construction is underway across the Piper High School campus
- Plantation Elementary School has completed all its Primary Renovation projects and is entering the Construction Closeout phase
- Dillard Elementary School is gearing up to begin construction

## SCHOOL CHOICE ENHANCEMENT PROGRAM

As part of the School Choice Enhancement Program (SCEP), schools are allocated \$100,000 to spend on custom improvements to their campuses and curriculums.

### SPOTLIGHT ON SCEP: DILLARD 6-12 SCHOOL

One of the most unique SCEP items now available to students at Dillard 6-12 is a 3D printer. 3D printing brings lessons to life, giving students the opportunity to learn in a way that was not accessible to them before.

In some cases, this advanced technology allows students to actually hold the things they are learning about and analyze them up close.

#### OTHER ITEMS PURCHASED INCLUDE:

A poster maker, laptops, furniture, golf carts and a digital marquee

## FEATURED PRIMARY RENOVATIONS

### ATLANTIC TECHNICAL ARTHUR ASHE JR. CAMPUS

Contractors have completed all roofing repairs, and all that now remains is the installation of coping and lightning protection.

### CASTLE HILL ELEMENTARY SCHOOL

The Castle Hill Elementary School campus is active with fire alarm, roofing and electrical improvements underway.

### ROCK ISLAND ELEMENTARY SCHOOL

Contractors have been hard at work at Rock Island Elementary School, and seen from above, it really shows! Roof repairs are now nearing completion.

### WALKER ELEMENTARY SCHOOL

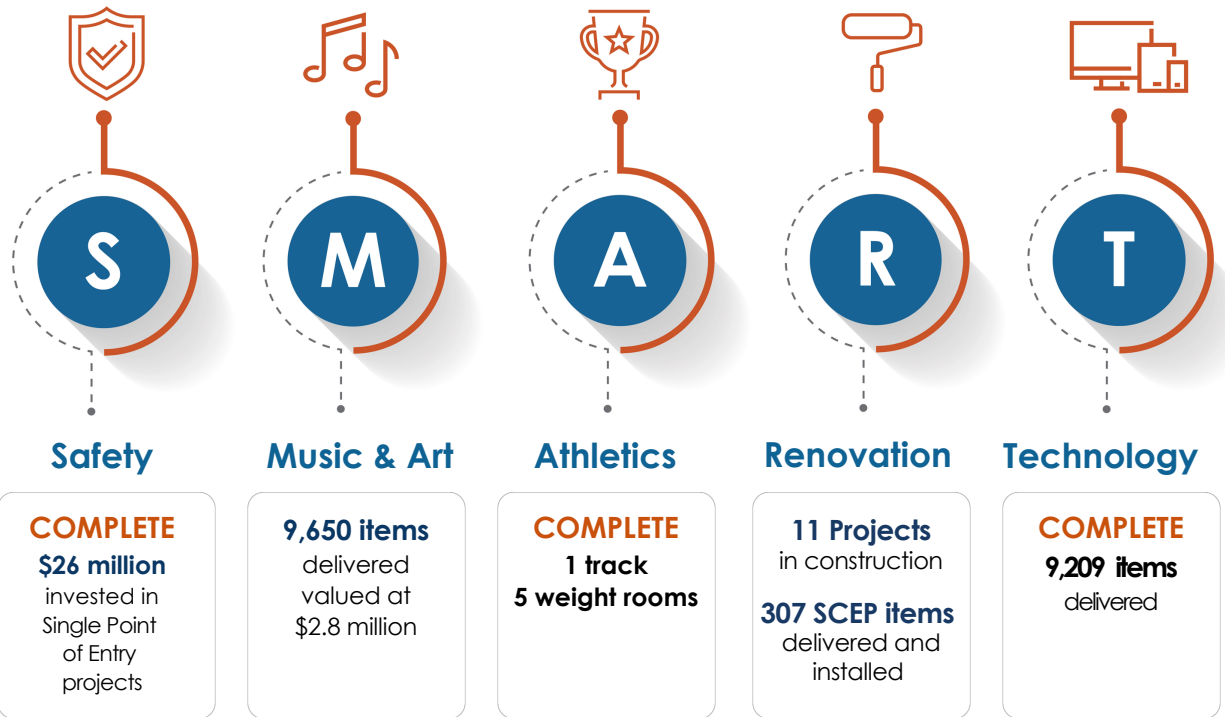

While contractors wait for a fire alarm and roofing permit, they have been busy changing out air handling units and replacing ductwork on a few of the buildings.

In the midst of Covid-19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
