DISTRICT 7

SMART PROGRAM AT A GLANCE

The SMART Bond Program focuses on improving schools and the educational experience of students and faculty at 232 SMART funded Broward County Public Schools, in the overarching categories of Safety, Music & Art, Athletics, Renovation, and Technology.

PRIMARY RENOVATIONS DISTRICT HIGHLIGHTS

- Construction is underway at Norcrest Elementary School
- Margate Elementary School and Winston Park Elementary School are ready to begin construction
- Cresthaven Elementary School, Deerfield Beach Middle and Deerfield Beach High School, Lyons Creek Middle School, and Monarch High School are headed into the Design phase

SCHOOL CHOICE ENHANCEMENT PROGRAM

As part of the School Choice Enhancement Program (SCEP), schools are allocated \$100,000 to spend on custom improvements to their campuses and curriculums.

SPOTLIGHT ON SCEP: DAVE THOMAS EDUCATION CENTER - EAST

Digital marquees are a major upgrade to the more traditional marquees. The new models, such as the one Dave Thomas Education Center - East has received, can be updated to share important announcements with the school community from a remote location.

Along with laptops and classroom furniture, the digital marquee has become one of the more popular SCEP items to be received through School Choice Enhancement projects.

OTHER ITEMS PURCHASED INCLUDE:

Laptops and front office furniture.

FEATURED PRIMARY RENOVATIONS

DAVE THOMAS EDUCATION CENTER - EAST

In addition to the ductwork in the main classroom building that has already been replaced, chillers have now been installed at Dave Thomas Education Center - East.

LIBERTY ELEMENTARY SCHOOL

At Liberty Elementary School, the music and art rooms were demolished to prepare for renovations, and painting for the rooms has already begun. Contractors have also started working on replacing the HVAC and rooftop condensing units.

NORCREST ELEMENTARY SCHOOL

Since mobilizing on the Norcrest Elementary School campus, contractors have gotten right to work. The media center was demolished as well as the ceiling in Building 9 in order to install new ductwork.

POMPANO BEACH MIDDLE SCHOOL

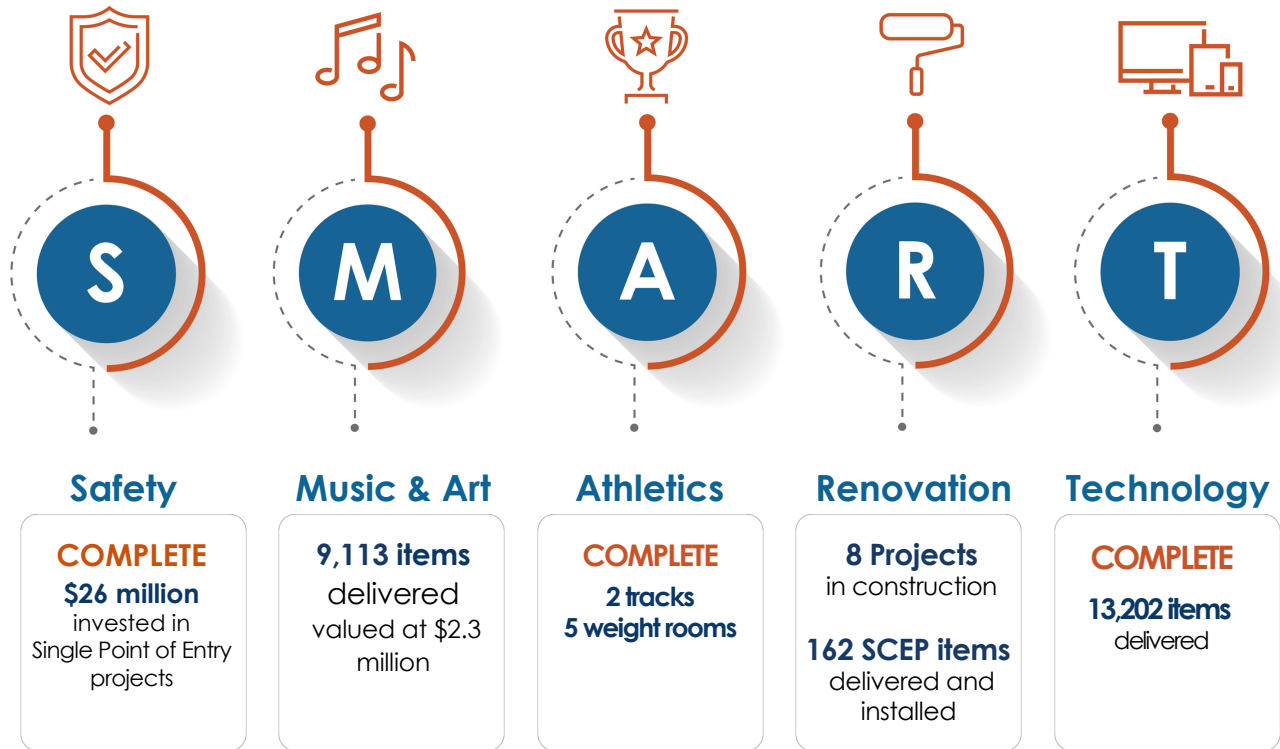

Contractors are keeping busy at Pompano Beach Middle School. The locker rooms have been gutted in preparation for renovations, ductwork is being replaced in multiple buildings, roofing repairs are being made, and all buildings are being repainted.

In the midst of Covid-19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
