Music & Art Equipment

Daniel Gohl, Chief Academic Officer

Music Equipment - Applied Learning Department Quarter Ending June 30, 2021

The Applied Learning Department has completed its commitment to the District in providing musical instruments and equipment to all schools with music programs.

This past quarter ending June 30, 2021, is one of celebration for our SMART music program. We are very pleased to report that 100% of all musical instrument and equipment orders have been delivered to our schools. **There are now 60,076 musical items in the hands of our students.** Our vendors worked with manufacturers both here in the United States and overseas to make up for the delays associated with the COVID-19 pandemic in order to complete our orders and their delivery.

During Quarter 4, which was the ending months of the 2020-2021 school year, our music programs saw an increase in the number of students attending school in person. Because of this, more and more students have been able to use the new equipment each day. Additionally, due to the increased number of musical instruments within each school's inventory, schools can ensure that instruments are not shared among students. This enables music teachers to deliver their music curriculum as they would under pre-Covid circumstances and at the same time provide a safe classroom environment for their students. Even during these difficult times our music teachers continue to provide our students with a quality music education.

The music instruments and music equipment have been placed into categories so that we can show you the quantity and dollar amounts of the music orders for each school. For a detailed list of the instruments and equipment, please follow this link:

Theater Equipment - Applied Learning Department Quarter Ending June 30, 2021

The Applied Learning Department has completed its commitment to the District in providing theater equipment to all schools with theater programs.

All theater stage, sound and lighting upgrades and installations have been completed for each of the 39 schools that were originally eligible. We are pleased to announce that as a result of the success of the SMART program, an additional theater program has been identified for equipment support making a total of 40 schools that will benefit from upgrades to their theater departments! The new equipment for this additional school has been ordered and delivered and is ready for use this school year.

Our theater programs remain active and vibrant even during these difficult times. Each of these schools will be using their new equipment on a grand scale as they prepare for the many activities and events planned for the 2021-22 school year. Our students will benefit greatly from the upgrades in sound and lighting that the SMART project has provided.
