

District Board Member: Nora Rupert

DISTRICT 7 REPORT

For The Quarter Ending December 31, 2021 | FY22 Q2

PREFACE

We are pleased to present the Broward County Public Schools (BCPS) **School Spotlights** specifically designed for our School Board Members serving in countywide school districts.

SMART (Safety, Music & Art, Athletics, Renovation and Technology) is the \$800 million capital improvement program to upgrade existing school facilities and to purchase new computer technology, athletic equipment and musical instruments to enhance the learning experience of Broward County students.

The **School Spotlight** is a quarterly report that details the progress of facilities projects at each of the 232 schools participating in the *SMART Bond Program*. This District Board Member edition provides a school-district breakdown of all approved renovation projects, projected costs, School Choice Enhancement Program initiatives and other ongoing or scheduled SMART Program projects.

These easy-to-read School Spotlights allow board members to better follow the progress of the facilities improvements within their specific school districts. The Spotlights will be updated every quarter to help board members share timely information with parents, students, school staff, volunteers, business groups, community organizations and other stakeholders as the projects progress.

CURRENT PHASE

ACTIVE CONSTRUCTION

PROJECT UPDATE

The work on this project is complete. We are awaiting final inspections and approval of ASI 2 to obtain Occupancy. ASI 2 is ready to be submitted to Building Department. Awaiting Day 2 letter to be submitted from PMOR.- Rejected as day 2 work. The project is effectively complete. The Building Department has asked ASI 2 to include efficiency ratings for the Roof Top Condensing units that were added to the contract via CO, but the manufacturer has stated it is impossible to calculate efficiency ratings since the condensing unit was engineered to use the existing AHU freon. The replacement of the AHU and RTU were determined to be submitted as Day 2 work. It was rejected for day 2 work. The direction was issued to the Designer to revise ASI 2 to address BD comments and provide a proposal for AUH replacement design. According to the new updated schedule, the new substantial completion date is October 12, 2022.

PROJECT SCOPE

Lightning Protection: Buildings 1 & 2 Paint Roof Access Ladder: Building 1 Reroofing: Buildings 1 & 2 Completed Change Order Work - Removed and installed 2 rooftop condensing units and 1 DX unit.

PROJECT UPDATE

Due to innumerable concerns based on multiple types of failures, it was decided to proceed with a ceases and a desist letter to contractor to stop all work. Consultant/Owner/Contractor have reviewed the inventory list of all installed and pending to installed items on the field. Contractor is currently working on the final change order. A proposed meeting with upper management for final agreement for the closeout has been submitted. Contractor is also submitting Pay App#13 to account for the work completed up to this point.

PROJECT SCOPE

Building Envelope Building 01 roof replacement and exterior painting HVAC improvements Building 01 replace 12 RTU and dedicated outside air units with corresponding ductwork BUDGET

PROJECT UPDATE

DiPompeo Construction will be issued a Cease and Desist to pause work on Building No. 1. ACAI has submitted a proposal to survey the building and document existing conditions based on recent demolition scope and new unforeseen conditions. A report will be developed documenting these conditions. A meeting is scheduled for Monday, 01/10, to review the new process with Principal Gerlach. All other renovation items are to be completed as part of the original contract scope. This includes the Building 8, 9, and 13 HVAC items and window/door replacement scopes. Building No. 8 originally includes new exhaust fans, new mini split, and new windows/doors. Building No. 9 originally includes new windows/doors. Building No. 13 originally includes new HVAC equipment and mechanical room renovation items. A punch list will be generated for items pending as part of the Media Center scope in Building No. 8.

PROJECT SCOPE

1) Campus Wide Fire Alarm system replacement. 2) Building 9: - Exterior Doors and Windows 3) HVAC Improvements: - Building 13: Replacement of two (2) AHUs -Building 8: A new split A/C unit - Tie-downs of various pieces of existing roof equipment. 4) Media Center renovations including flooring, celling, lighting, windows and door replacement, and FF&E. 5) Building 1 (Historic) renovations include lead paint removal and exterior painting, new fire sprinklers, four (4) group restrooms, structural repairs, flooring repairs, exterior walkways, installation of new classroom ductwork, new electrical system and equipment, new ceilings and light fixtures, new stair tower, replacement of all gates, handrails, and guardrails, and new FF&E. CURRENT PHASE CONSTRUCTION CLOSEOUT

PROJECT UPDATE

This project is in close-out. Substantial completion was achieved on 12/3/2020. Final Pay Applications are processed and close-out documents are complete. Form 209 was fully executed by the superintendent on 1/20/2021. Closeout documents were delivered to the district and the school. The six-month warranty walkthrough was held on 6/21/2021. There were only some minor issues and the GC repaired them. The eleven-month warranty walkthrough is in process of being scheduled in

January. **PROJECT SCOPE**

Music Room Renovation, HVAC Improvements, & Conversion of Existing Space to Music and/or Art Lab. BUDGET

AECOM made 12/14/21 meeting with stakeholders to review A/E progress on roof review of As Builts and re-roofing calculations. A/E advised that their calculations showed a concern for Building 1 roof safety, and A/E requested a 3rd party make further investigation of the Building 1. On 12/16/21 WJE visited the site with A/E and AECOM roof consultant, and with non destructive investigation, parties observed several columns that had been reinforced. Roof consultant took field roof sample to determine PSF weight. WJE to issue field visit memo. A/E to revise 46 page calculations memo. A/E submitted revised Additional Services proposal for reinforcing existing structures related to re-roofing after Building Dept. issued roof live load clarification memo. Project Manager reviewed proposal and supports Use of Allowances Supplemental balance.

PROJECT SCOPE

Re-roofing: Buildings 1, & 2. HVAC Component Replacement: Buildings 1 and 8 and Duct Heaters: Building 2. Test & Balance: Buildings 1, 2, and 80. Media Center Renovations: Building 1. ADA Restrooms Renovation: Building 1. BUDGET
